

CALL FOR NOMINATIONS

MIT TECHNOLOGY REVIEW'S INNOVATORS UNDER 35

Deadline: 8 September 2017

Since 1999, MIT Technology Review has identified the top young innovators under the age of 35 whose superb technical work promises to change the world. The goal is to recognise the development of new technology or the creative application of existing technologies to solve big problems. Broad Institute's Feng Zhang, Spotify's Daniel Ek, Google's Sergey Brin and Tesla's JB Straubel are just a few of the outstanding innovators who have been named MIT Technology Review's Innovators Under 35.

RECOGNISE THE NEXT WAVE OF YOUNG INNOVATORS FROM SOUTHEAST ASIA, AUSTRALIA, NEW ZEALAND AND TAIWAN.*

 **SUBMIT YOUR NOMINATIONS** NOW at www.emtech.sg/tr35/nominate**

**Citizens and residents (including students) may apply.
**Self-nomination is allowed.*

Visit www.emtech.sg/tr35/nominate/faq for more information on the nomination, judging and selection process.

Questions? Email emtech@koelnmesse.com.sg

“Emtech Asia - and Singapore - is definitely the next hub after Silicon Valley that you want to be part of, where great minds meet. Besides the mind blowing convergence of technology, engineering, medicine and entrepreneurship, **a vast network of investors has also enabled us to verbally secure a deal worth S\$200,000, just after a 3 minute pitch.** Yes! This is the next valley! Singapore valley!”

Dhesi Raja, Cofounder & Chief Scientist, Artificial Intelligence in Medical Epidemiology (AIME) & Innovators Under 35 Asia 2017 Honouree

“[...] Being an Innovator Under 35 Asia listee is an honour and once-in-a-lifetime opportunity. **The award has helped me progress much faster in my academic career, in addition to securing more funding for my research.**”

Majid Ebrahimi Warkiani, Lecturer, School of Mechanical and Manufacturing Engineering, University of New South Wales & Innovators Under 35 Asia 2016 Honouree

The 10 selected innovators will be celebrated at **MIT Technology Review's EmTech Asia** on **30 – 31 January 2018**, gaining unparalleled media coverage and access to an audience of accomplished innovators and investors. More about the event at www.emtechasia.com

They automatically become candidates for the global Innovators Under 35 list celebrated in the fall of 2018 at the MIT Media Lab in Boston, USA. MIT Technology Review also showcases the global list in the September/October issue and online at www.technologyreview.com/lists/innovators-under-35/
