CALL FOR NOMINATIONS

MIT TECHNOLOGY REVIEW'S INNOVATORS UNDER 35

Deadline: ~~9 September 2016~~ Extended Until 25 September

Since 1999, MIT Technology Review has identified the top young innovators under the age of 35 whose superb technical work promises to change the world. The goal is to recognize the development of new technology or the creative application of existing technologies to solve big problems. Facebook's Mark Zuckerberg, Tesla's JB Straubel and Google's Sergey Brin are just a few of the outstanding innovators who have been named MIT Technology Review's Innovators Under 35.

RECOGNIZE THE NEXT WAVE OF YOUNG INNOVATORS FROM ASIA.

SUBMIT YOUR NOMINATIONS* NOW
at www.emtech.sg/tr35/nominate

**Self-nomination is allowed.*

Selection Criteria:

1. Nominees must be 35 or under as of 1 October 2017. They must be citizens or current residents (including students) of one of the following countries: Singapore, Malaysia, Brunei, Indonesia, Thailand, Philippines, Vietnam, Laos, Cambodia, Myanmar, Taiwan, Australia and New Zealand.
2. Creativity, ingenuity and impact of the nominee's work to society and the world in the years to come.
3. Technical areas:
 - Biomedicine
 - Computing
 - Communication
 - Energy
 - Materials
 - Web & Internet
 - Transportation

More information on the nomination, judging and selection process can be found at www.emtech.sg/tr35/nominate/faq

The 10 selected innovators will be celebrated at **MIT Technology Review's EmTech Asia** on **14 - 15 February 2017**, gaining unparalleled media coverage and access to an audience of accomplished innovators and investors. For more information on EmTech Asia, visit www.emtechasia.com.

They automatically become candidates for the global TR35 list celebrated in the fall of 2017 at the MIT Media Lab in Boston, USA. MIT Technology Review also showcases the global TR35 list in the September/October issue and online at www.technologyreview.com/lists/innovators-under-35
